

Miners CARE

Completing this form is an indication that you are worried about a student. You are not being asked to label or diagnose; rather you have a concern about someone's behavior or health. The student may be asked about his/her behavior and the concern that has been raised.

The information contained in this report, including your name, is confidential and will not become part of the student's permanent record. This form will be used to determine the student's needs and to help in developing an appropriate course of action. Although your identity will not be divulged to the student, you must sign your name on this form. No forms will be accepted anonymously. A member of the CARE team may need to discuss your concerns with you once this form is submitted.
