

Schoology Parent Access Guide

Telluride Middle/High School 2019-20

Telluride Middle/High School teachers will be using Schoology to communicate assignments and classroom activities to all students. Parents are highly encouraged to sign up for Schoology and add their children to their account. This will allow parents to keep track of the daily activities of their child's academic life as well as communicate with the teachers. NOTE: Schoology is **NOT** the official gradebook.

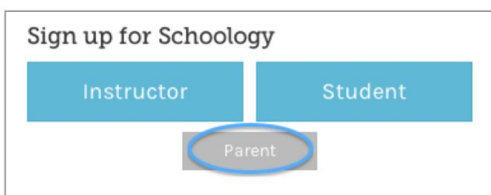

***NOTE:** If you try to login to Schoology and receive a message saying that your username is already in use, please contact [Chris Delaney-Haynes](#) for a reset.
