## For Parents:

I hereby release Telluride School District, its personnel, and any institutions with which it is affiliated, from any and all claims and damages of any nature arising from my child's use of, or inability to use, the Telluride School District network. I understand that it is impossible for the Telluride School District to restrict access to all controversial materials and I will not hold the District responsible for materials accessed on the network.

I accept full responsibility when my child's use of technology is not in a school setting and understand that my child is subject to the same rules and agreements while not at school. I understand that the Telluride School District encourages parents and guardians to supervise and monitor any online activity. I am aware that I may ask for my child's username and password at any time.

I understand that it is my child's responsibility to treat the school's technology equipment gently. The rental fee costs \$50 per device and carries an additional \$100 deductible for each claim. Failure to return the device will result in a \$200 charge. Loss or damage incur fees as follows:

**Chromebook not returned: \$200**

**Device Case not returned: \$30**

**Charger not returned or broken: \$25**

**Screen cracked/broken: \$50**

**Keyboard/Palm rest damage (keys missing, touchpad damage): \$50**

**Power Adaptor broken (bent, plugged up or broken from charger): \$25**

**Mainboard damaged (usually from liquid spills): \$100**

These costs are the financial responsibility of the student's family. Any child who repeatedly misuses or damages his/her device will have their privileges of use restricted.
