

TMHS Parents:

I hope you had a successful start to week 2. I have appreciated hearing from so many of you, if you have feedback please keep it coming, we are continually working to improve. Please take time to get outside, take breaks and get fresh air (just make sure you follow the county guidelines).

We understand this is a stressful time for students families, if you need assistance please let us know. We may not always have the answer but we can try.

A couple important notes:

Spirit Days: We have scheduled spirit days! Students should check schoology for all up to date and important information.

AP Classes: We are receiving updates from College Board regarding AP classes. We are working as a team of AP teachers to do what is best for kids. The best information can be found here: <https://apcentral.collegeboard.org/about-ap/news-changes/coronavirus-update>

Bell Schedule: Please make sure students follow the bell schedule, students should be working on classes 3 days a week. If a class meets via zoom please follow your regularly scheduled class time. The bell schedule is here: [Spring 2020 bell schedule](#)

Attendance protocol: In an effort to streamline, we need your help! If your child is sick or cannot attend or work on a class please let Jen Tougher jtougher@telluride.k12.co.us know and she will notify their teachers. If we haven't heard from a parent and a student is "absent" (didn't show to a zoom session, didn't submit assignment) we will follow these steps:

1. The teacher will contact student via schoology.
2. Jen Tougher will reach out to the parent.
3. If she cannot reach a parent or find out what is happening she will let Chris & I know and we will follow up.

Student Eligibility: If a student is not passing a class for any reason Mr. Murray and I will be reaching out to you to see what support you need.

Class of 2020: I will be calling into koto @ 4 pm on Wednesdays to start highlighting our Class of 2020, please tune in! Chris Murray will be sending out information for our seniors to have the spring athletics virtual "Senior Night." We know this looks different for the Class of 2020 and we want to honor them in every way we can.

Thanks,

Sara
